**Cannes, France - 23 May 2019**

Canadian supermodel, Winnie Harlow, wore The Secret Garden High Jewellery Collection on the Cannes red carpet last night at the amfAR Gala which took place at Hotel du Cap.

Harlow wore The Secret Garden High Jewellery Suite – each piece a triumph of art – twinned with Richard Quinn's bespoke Art Nouveau hand embroidered and nature inspired dress.

The Fabergé Secret Garden collection is inspired by founder Peter Carl Fabergé's love of flowers and Russian artist Marc Chagall's vivacious flower bouquets. It captures the colourful explosion of blossoming flowers. A captivating jewelled composition, comprising an unusual mix of materials including carved hardstone, enamel and gold, where the focus is the extraordinary harmony of shades created by exceptional gemstones with character. These include precious gems such as vivid emeralds, padparadscha sapphires, and raspberry rubies, surrounded by vibrant pink spinels, mint tourmalines, tanzanites, moonstones and opals.

The amfAR Gala is one of the world's most successful benefit events which takes place during the Cannes Film Festival and has raised more than £220 million for the fight against AIDS.
