

# MARLEY TRIBUTE

TANGO GMT COLLECTION

*Time will tell*

The limited edition Bob Marley *tango* GMT timepiece is a magnificent ode to this world-class music icon.

The numbered case back is engraved with Bob Marley's signature and the famous "TIME WILL TELL" mention in reference to the successful title from Kaya Album. Housed in a 42mm polished steel case with a GMT function, the timepiece is finished by an aluminum black and a grey anodized bezel.

Designed in collaboration with House of Marley, limited-edition *tango* has only 1,500 pieces worldwide and only a few remain today.
